If nothing else, go for the view — it’s breathtaking every time.

**NATURE TOURISM**

The Island is a habitat for the endangered Kemp’s Ridley species, and Sea Turtle, Inc. offers visitors an up-close look at these creatures as the only educational, rehabilitation and rescue facility on the Island. As the Rio Grande Valley’s premier destination for birdwatching, the South Padre Island Birding, Nature Center & Alligator Sanctuary is an ideal place to observe the birds, butterflies and natural wildlife in coastal South Texas. Walk the bayfront boardwalks, take a birding tour and explore the nature center. Glass-bottom boat rides and dolphin watch tours give visitors close encounters with the Island’s myriad marine life.

**BEACH TIME**

Book a sandcastle lesson with one of the Island’s many talented master sand sculptors to learn the building basics up to advanced sculpting skills. As the Sandcastle Capital of the World, your lesson will be second to none and an unforgettable experience. There is no better way to end your day than to watch fireworks reflect off the bay or beach! Fireworks take place weekends during the summer.

**SIGNATURE ATTRACTIONS**

Swim, snorkel and explore the barrier island. Take a kiteboarding lesson and catch a wave. Reel in a big fish, then have your catch cooked for you at a local restaurant. Dance to the beat of live, local music and experience the beauty of bay and beachside fireworks.

**COUNTRY CLUB FOR A DAY**

Take a break from the beach, but not the breathtaking views, and enjoy a scenic round of golf at the Island’s world-class golf course, the South Padre Island Golf Club. Or, if you’re looking for more of a deep dive experience, book a lesson for scuba diving with American Diving and learn how to navigate the open waters of the Texas Gulf Coast. Fishing enthusiasts can enjoy inshore and deep sea fishing, book a fishing excursion or try surf casting. After reeling in a big one, have one of the Island’s local spots cook your catch – a fantastic option for first-time visitors.
